Social Media Permission Form

Social Media means any online platform for collaboration, interaction, and active participation, including but not limited to, social networking sites such as Facebook, Instagram, Twitter, YouTube, LinkedIn or blogs. District Board Policy (BP 1114) and Administrative Regulation (AR 1114) guidelines do not apply to personal social media accounts that are created by students, staff members or other individuals which may sometimes include discussion of District-related issues but are not sponsored by the Lowell Joint School District.

All social media accounts using the Lowell Joint School District's name or any of the District's school site names and logos shall be registered and approved by the Superintendent. The name of the accounts and the name/signature of the staff members authorized to post to the Lowell Joint School District or the District's school sites media accounts will be provided on this form. Any changes to staff members authorized to post to the District or school sites social media accounts will be reported and approved by the District in a timely manner.

Sites created by school-connected organizations such as a parent-teacher organization, booster clubs, sports clubs that have not been authorized by the Superintendent or designee but contain content related to the Lowell Joint School District are not considered official District social media platforms, but will also be registered with the Lowell Joint School District.

All content must follow the guidelines for content identified in the District Administrative Regulation (1114), Social Media and the Lowell Joint School District Core Values.
